Here Are 21 Adorable Dog Cross-Breeds You've Probably ... Dogs come in more shapes and sizes than any other species on the planet. For thousands of years, we've bred them to create breeds with different colors, coats, sizes, shapes, and even temperament. During most of history, purebreds were the peak of canine sophistication. But recently, mixed-breed. Crossbreed - Wikipedia A mixed-breed animal is defined as having undocumented or unknown parentage, while a crossbreed generally has known, usually purebred parents of two distinct breeds or varieties. A dog of unknown parentage is often called a mixed-breed dog, "mutt" or "mongrel. List of dog crossbreeds - Wikipedia These are dogs created deliberately by crossing two purebred dogs. Sometimes known as "designer dogs", and often given portmanteau names derived from those of the parent breeds. There is a very large number of possible combinations, and the following table only lists those most often bred deliberately.
